

## Medicaid Lottery

To ensure that our selection process for those who qualify for Medicaid is fair, we will be holding a Medicaid lottery.

### **Important Dates**

If you qualify for Medicaid, you must have your application into our office no later than **May 1<sup>st</sup>**. On **May 2<sup>nd</sup>**, we will be drawing from the names of those who submitted applications by **May 1<sup>st</sup>**.

### **How Does It Work?**

We will be offering three Medicaid positions this year. The names of all applicants who submitted their paperwork by May 1<sup>st</sup> will be pooled together. The first three names drawn from that pool will have their entire camp fee billed through Medicaid.

### **Next Steps**

If you submitted your application in hopes of having your camp tuition billed through Medicaid and your name was not drawn, you will be expected to pay your tuition through some other financial source. A list of scholarship information can be found on our website and if you need any help, we will do all that we can to assist you. If you plan to withdraw your application, please let us know by **June 15<sup>th</sup>**.

Thank you to all of you who have already submitted your applications! If you have any questions at all, please direct them to [MapleLeafClinic@vermontel.net](mailto:MapleLeafClinic@vermontel.net).
